## Spring Bible Classes

Most of our Spring Bible classes for teenagers and adults will begin in two weeks on Sunday, March 15. The one exception is the Sunday morning teenage class that started today. This class "Twelve Ordinary Men," based on the book of the same name, will explore how Jesus brought together twelve very different men to accomplish a common goal that would change the world. Russ Mitchell will teach this class.

Please check next week's newsletter for a full listing of upcoming Bible classes for this spring.

## Women's Bible Study

The Women's Bible Study resumes on Thursdays, beginning March 26. We will pick up with where we left off by studying Mark chapters 9 through 16. Be looking for more details when Caroline Kelly returns to town.

## Remote Area Medical

Remote Area Medical (RAM) is a major nonprofit provider of free mobile clinics. Their mission is to prevent pain and alleviate suffering by providing free, quality healthcare to those in need. RAM will hold a clinic at Walters State on the weekend of April 4-5. Their clinics largely depend on the community's volunteerism, and we are wanting to provide as many volunteers as possible from the church. All volunteers must register through RAM by going to [www.ramusa.org](http://www.ramusa.org) and clicking on "VOLUNTEER" in the upper right corner. If you have any questions or would like more information, please visit their website.
