Weekly Newsletter - October 15, 2017

Welcome!

Are you new?

Whether you're just visiting or looking for a church home, it is great to have you with us. If you have any questions or would like to know more about our church family, feel free to speak with any member or take a brochure located in the hall.

What to Expect

All that we ask of you is to relax. We are people just like you. Please complete a 'Connection Card' from the pew in front of you. This is solely for our records — you won't get any surprise visits. Our worship order is listed on the back of this newsletter. As our guest, please don't feel obligated to give to the offering.

Thank you for being with us!

Upcoming Bible Studies

A number of new efforts are being launched among us this fall to promote increased Bible knowledge, evangelism in the community, and a greater sense of togetherness among us.

Ben Shafer's **Outreach Bible Study** for the Dandridge area begins TOMORROW, Monday, October 16 at the Field of Dreams Activity Center. Any support would be greatly appreciated. Please be praying for this effort.

Caroline Kelly will begin a **Women's Bible Study** this fall and is currently seeking feedback as to how to format it. You can provide your input on the bulletin board in the hallway or through the church's website. Please see Caroline for more info.

Blaine Kelly looks to soon begin a **Breakfast Bible Study** in the community as people begin their day and go off to work. He too is seeking feedback as to what format would work best. Please see the bulletin board or church website as well.

Building Work This Week

You may notice some building supplies around the building this morning that will be used to repair the roof this week. PARENTS, for the sake of their safety, please make sure your children stay away from these items.

The roof repairs should not interfere with any of our services this coming week. However, Tuesday's Prayer Group has been cancelled due to the construction. Thank you to everyone for your patience and understanding.

Domestic Violence Awareness

October is Domestic Violence Awareness Month. Sadly, domestic violence is far too prevalent in this society and community. It goes against everything God made man and woman to be and is an affront to His design for the family.

Victims of domestic violence often first reach out to churches or Christian friends for help. People may be surprised by how often the church building receives phone calls from strangers who are looking for refuge for themselves and their children. We often lack the expertise or resources to provide the ongoing help that domestic violence victims need. East Tennessee is fortunate, however, to have CEASE in our communities. CEASE provides secret, secure shelter and crisis services to those who have suffered domestic violence and sexual assault.

Flyers from CEASE can be found on the table in the main hallway. You can also learn more about CEASE at www.ceaseabuse.com. If you or someone you know is currently in an abusive situation, please seek help.
